

## What are cookies?

Cookies are text files placed on your computer to collect standard Internet log information and visitor behaviour information. When you visit our website, we may collect information from you automatically through cookies or similar technology.

## How do we use cookies?

There are a number of different types of cookies. To improve your experience, INL's website uses the following cookies:

- **Performance** – INL uses these cookies to recognize your profile while visiting the website and remember your previously selected preferences. These could include what language you prefer and location you are in.
- **Advertisement** – INL uses ad cookies to collect information about your visit to our website, the content you viewed, the links you followed and information about your browser, device, and your IP address. INL sometimes shares some limited aspects of this data with third parties for advertising purposes. We may also share online data collected through cookies with our advertising partners. This means that when you visit other websites, you may be shown advertising based on your browsing patterns on our website.
- **Analytics** - INL uses a minimal Google Analytics build, a service which transmits website traffic data to Google servers in the United States and allows us to notice trends to improve the user experience on our website. This minimal build processes personal data such as the unique User ID set by Google Analytics, the date and time, the title of the page being viewed, the URL of the page being viewed, the URL of the page that was viewed prior to the current page, the screen resolution, the time in local time zone, the files that were clicked on and downloaded, the links clicked on to an outside domain, the type of device, and the country, region, and city.
- **Others** – INL uses other uncategorized cookies which have not been classified into a category yet.

Cookie	Domain	Type	Description	Duration
<b>Performance</b>				
_scc_session	.inl.int	Performance	This cookie is set by the INL website. It maintains a temporary session to remember preferences such as language and location.	~20 minutes

## How to manage cookies?

You can set your browser not to accept cookies. However, as a result, some of our website features may not function in a few cases.

## Cookie policies of other websites

INL website contains links to other websites. Our Cookie Policy applies only to our website; if you click on a link to another website, please be aware of their own cookie policy.

## Changes to our cookie policy

INL keeps its cookie policy under regular review and places any updates on this web page. This cookie policy was last updated on 13 August 2025.

## How to contact us

If you have any questions about our cookie policy and the data we hold on you, or you would like to exercise any of your data protection rights, please do not hesitate to contact INL Data Protection Team at: [dataprotection@inl.int](mailto:dataprotection@inl.int)
