

Conor Delaney

Chartered Global Management Accountant

Mr. Conor Delaney has 34 years’ experience working within various finance roles across Ireland in SME’s, Multinationals, National Research Institute and academic units within University College Cork (UCC).

He is currently the Finance Business Manager within the College of Arts, Celtic Studies and Social Sciences which has 6,000+ students and over 500 academic, research, technical and admin staff. Prior to this role he was Finance Manager with the Tyndall National Institute which is Irelands leading ICT Research Centre with 500+ researchers, engineers, and staff, both operations within UCC.

In the context of research projects, Mr. Conor Delaney have priced over \$2.5billion of research proposals to date, financially managed and reported on over \$0.76billion of industry and research contracts and completed over 750 audits from multiple agencies, with no material or systematic audit issue arising to date. Projects funded were across Domestic, European and International markets with extensive compliance and multi-agency audit requirements.

He has extensive experience in: people management and engagement across both financial research and academic teams; strategic development within both rapidly expanding and financially challenging environments; system and procedural development and implementation; critical regulatory & governance compliance across both national and international agencies.
